

Isles of Sarasota Service & Pricing Guide

Dear Isles of Sarasota Residents,

At Blue Stream Fiber, we pride ourselves on our legacy of over 40 years of great customer service and our deep experience building the latest fiber optic networks.

We have worked hand-in-hand with your Board of Directors to provide your community with a new-state-of-the-art fiber-optic network with industry-leading products, substantially better reliability, and world-class customer service.

We know the role our services play in your day to day and we look forward to connecting you to what matters most.

On behalf of Blue Stream Fiber, I would like to take this opportunity to formally welcome you as a new Blue Stream Fiber customer. Thank you for entrusting us with your TV, Internet, and Phone needs. Stay tuned for additional information coming throughout the coming months.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Canavan".

Joe Canavan
Chief Executive Officer

Service guided by our mission:

We are dedicated to providing our customers and neighbors with reliable communications and entertainment services that enrich their lives. All through the most trusted products and customer experience, from a team that cares.

The Trusted South Florida Communications Provider for Over 40 Years

FAQs

Will installations be done prior to the end of my bulk installation period?

Yes, we will be installing everyone's services prior to the end of the installation project.

I am a seasonal resident and will not be back before you finish your installations. What should I do when I am ready to return?

Seasonal residents can be installed when they return. Simply call Blue Stream seven days prior to your arrival.

I am a seasonal customer. Do you have seasonal rates to put my optional services on suspension at a reduced rate?

We do offer seasonal service rates. Please contact a Blue Stream Representative for details about this service and your available options.

How long will the installation of my Blue Stream services take to complete?

On average, the installation will take anywhere from 3-4 hours per home to complete.

What will you be doing during my install?

Our technicians will install your bulk services and any additional services you requested. This will include the set-up of your wireless devices as well as the programming of your remote controls. Moreover, we will provide an in-home training experience on how to use your new equipment and services.

Where will your equipment be located in my home?

The Blue Stream Wireless ONT will be located at a central location in your home and/or where your previous modem/router was located. Cable boxes will be placed in the same location where your televisions are located.

What in home visits are covered by Blue Stream Fiber in our association's package?

Blue Stream Fiber will be responsible for in-home visits to repair faulty equipment or wiring owned and maintained by Blue Stream Fiber. An example of this would be if you experienced service issues related to a faulty piece of equipment like an ONT (Fiber Modem) or Set-Top Box. In this case, Blue Stream would come to your home and replace the equipment free of charge. Another example of this would be if you experienced service issues related to faulty internal wiring in your home. In a similar way, there would be no charge to replace or repair that faulty Blue Stream wiring. For service requests or needs outside of the above, there is a \$99 fee per home visit.

What do I do with the equipment from my former provider?

Each provider has their own process for returning their equipment. We encourage you to contact customer service for your previous provider to learn how to return their equipment.

Can I add other services from Blue Stream?

Yes, you can add additional services at any time by requesting this by calling our service center. Charges will be billed directly from Blue Stream to the customer for any additional services outside your Association's agreement. Please be advised that charges will start the same day the services are activated.

What options do I have for obtaining my bill if I have additional services from Blue Stream?

You can sign up for our electronic billing services for free as well as our auto payment feature. To do this, please register at bluestreamfiber.com. You can receive a paper statement every month for a small fee that is currently \$5.49/month.

What do I get with Blue Stream Phone Services?

Unlimited local and long distance calling to the United States and Canada, Voicemail, Call Waiting, 3-Way Calling and 29 calling features. Blue Stream also has great international rates outside of the United States.

What do I need to do if I want to sign up for home phone service?

If you choose to sign up for home phone service and wish to transfer (port) your home phone number to Blue Stream, please have your current phone bill handy during your sign-up appointment. In addition, please do not cancel your phone service with your current carrier. It will be cancelled automatically.

What does your Total Upgrade Package cover when it comes to in-home visits?

ALL home visits related to customer education, accidental damage of equipment and wiring and even changes of service are covered. Examples include assistance to connect a new wireless device like a laptop or printer to your home WiFi network or to pair your remote with a new TV. We will even cover accidental damage to internal wiring and equipment free of charge. No charge for the visit or the replacement of wires and/or equipment. It's simple, worry-free coverage.
