

SUGGESTED PLANT LIST FOR THE ISLES VINES

Common Name	Botanical Name	Page
Bleeding Heart Vine	<i>Clerodendrum thomsoniae</i>	2
Carolina Jasmine	<i>Gelsemium sempervirens</i>	3
Jasmine, Asiatic or Minima	<i>Trachelospermum asiaticum</i> 'Minima'	4
Jasmine, Confederate	<i>Trachelospermum jasminoides</i>	5

SUGGESTED PLANT LIST FOR THE ISLES VINES

Bleeding Heart Vine

Botanical Name: *Clerodendrum thomsoniae*

Comments: Sun to shade; blooms on and off most of the year. Tendrils will attach to anything near.

SUGGESTED PLANT LIST FOR THE ISLES VINES

Carolina Jasmine

Botanical Name: *Gelsemium sempervirens*

Comments: Slightly fragrant vine with yellow trumpet flowers January through spring. Needs trellis or lattice for support.

SUGGESTED PLANT LIST FOR THE ISLES VINES

Asiatic Jasmine or Jasmine Minima

Botanical Name: *Trachelospermum asiaticum* 'Minima'

Comments: Hardy, small leaf groundcover for sun or shade; better behaved than its cousin, Confederate Jasmine. Rarely flowers but adds a nice texture to the garden.

SUGGESTED PLANT LIST FOR THE ISLES VINES

Confederate Jasmine

Botanical Name: *Trachelospermum jasminoides*

Comments: Fast growing vine with fragrant star-shaped flowers in the spring. Used as a groundcover in front of the clubhouse in the Isles. Grows willingly up structures as well, but needs regular maintenance to keep within bounds.
