

SUNSHINE COMMITTEE

What is the Sunshine Committee?

The Sunshine Committee is made-up of Isles volunteers who are ready to help. A designated chairperson is assigned to each month. The assigned chairperson will make contact and provide service(s) with the person that may require assistance.

Services Available

The Isles Sunshine Committee is available as a “Stop Gap Measure” for that first day of need, a helping hand to provide you with the assistance you may need in any of the following areas. This allows you the time to make the necessary arrangements for on-going help with the many resources available in the area for your particular need.

 Pick-up medicine	<i>Pick-up your medicine on your behalf.</i>
 Provide a meal	<i>A Sunshine member can provide a warm meal or baked goods.</i>
 Run an errand	<i>Such as grocery shopping for immediate needs. Paid by the requester.</i>
 Visit	<i>Visit with you</i>

Need Services?

Should you or someone you know require help from the Sunshine Committee, please contact the Activities Director and she will notify the committee chairperson.
